Dear All,

With a distinguished career spanning over 17 years, I have managed to learn, grow and excel in my area of expertise from time to time. As a Freelance Director of Photography, I have worked on various projects that has tremendously honed my skill-set and has helped me deliver the best above expectations. I am passionate towards my work and always possess result-oriented approach.

I am having 3 Years of Education in Master of Cinematography from a reputed institute known as "Film & Television Institute of Bangalore", India.

As a highly skilled Director of Photography with over 17 years of experience in Film & Television, I possess a great amount of experience in handling and operating various kind of formats & lenses in Films, TV, Shows, Documentaries, Commercial AD Films and Live Events.

- Skilled in Lighting Designs for all kind of shooting floors and events.
- Skilled in Multi-Camera Setup Design
- Skilled in Operating Jimmy Zip
- Skilled in Remote Functioned Track Trolley
- Skilled in Operating DJI Ronin Gimbal
- Editing in Adobe Premier & FCP

I have done and have been part of many International Films and Shows abroad in countries like UK : England, Wales, Scotland

Europe : Italy, France, Spain

Thailand : All Over

Singapore

Malaysia

And so, I am pretty much familiar with language, technologies and equipments used in projects.

I have achieved "Best Cinematographer of the Year" Award in the year 2016 for a film called "Romance Complicated" which has been shot in USA as well as INDIA. Also, I have been nominated multiple times for many films back to back in various Indian Film Festivals and Award Shows.

Many of the Films I have worked with have been a Blockbuster Hit in Box-Office Collection.

Having a creative eye with punctuality as well as dedication, I have always finished my work on or before deadlines maintaining Quality with Quantity and I look forward to deliver all my projects with same passion and consistency.
